

HHAeXchange+ Service Provider Mobile App

Take control of your schedule from the palm of your hand. Focus on your patients and your day ahead – instead of getting bogged down by administrative tasks.

Get Paid Faster

Your agency spends less time verifying visits when you clock in and out from the app.

Save Time

Use the mobile app to clock in and out in just 15 seconds.

In-App Language Support

HHAeXchange+ supports 20+ languages including Spanish, Vietnamese, and Portuguese.

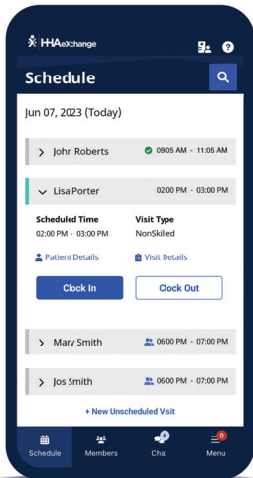

Manage Your Schedule On-the-Go

View your schedule, patient information, and plan of care instructions – right from one convenient app.

Go Mobile in 3 Steps

Join the thousands of service providers using
the HHAExchange+ Mobile App

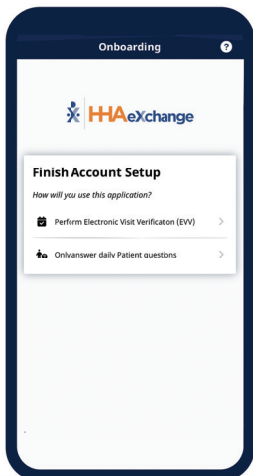

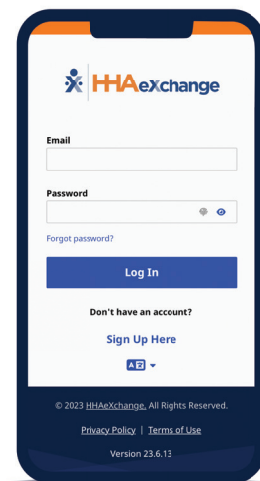

Step 1: Download

Scan this Code to **download the HHAExchange+ Mobile App.**

Step 2: Sign Up & Create a Password

Once the app is installed, **select your language** and proceed to the Sign Up page. **Enter an email address and password**, which should follow the password rules specified, and click **Sign Up**.

Step 3: Verify & Complete Registration

Verify your registration in your email inbox or via push notification, and then **log in to the app** for the first time. Finish your account setup with a code that is provided by your agency (through email or SMS).
